組織

自然科学研究機構

ORGANIZATION OF THE INSTITUTE

National Institutes of Natural Sciences National Astronomical Observatory of Japan **Executive Directors** Management Council National Institute for Fusion Science President **Board of Directors** National Institute for Basic Biology National Institute for Physiological Sciences Auditors **Educational and Research Council** Institute for Molecular Science **National Institute for Physiological Sciences** Division of Biophysics and Neurobiology Department of Molecular Physiology Division of Neurobiology and Bioinformatics Division of Nano-Structure Physiology * Division of Membrane Physiology Division of Correlative Physiology Department of Cell Physiology Division of Neural Systematics Division of Cell Signaling * Division of Sensory and Cognitive Information Department of Information Physiology Division of Neural Signaling Division of Developmental Neurophysiology * Division of Sensori-Motor Integration Department of Integrative Physiology Division of System Neurophysiology Division of Computational Neuroscience Division of Cerebral Structure Advisory Committee for Research and Management Department of Cerebral Research Division of Cerebral Circuitry Division of Cerebral Integration Division of Behavioral Development Division of Homeostatic Development Department of Developmental Physiology Division of Endocrinology and Metabolism Division of Adaptation Development Director-General: OKADA, Yasunobu Section of Mammalian Transgenesis Center for Genetic Analysis of Behavior Section of Behavior Patterns Section of Brain Science Exploration and Training Section of Brain Information Decoding Center for Multidisciplinary Brain Research Section of Primate Model Development for Brain Research Section of NBR Promotion Section of Visiting Collaborative Research Project * Section of Brain Structure Information Section of Brain Function Information Section of Multiphoton Neuroimaging Supportive Center for Brain Research Section of Electron Microscopy Section of Instrument Design Section of Ine Marine Laboratory Section of Communications and Public Liaison Section of Evaluation and Collaboration Center for Communication Networks Section of Physiology and Medicine Education * Section of Network Management **Technical Division** Asterisk (*) denotes adjunct divisions. Okazaki Research Facilities Star (★) denotes joint division. Okazaki Institute for Integrative Bioscience Department of Development, Differentiation and Regeneration Research Center for Computational Science National Institute for Basic Biology Department of Strategic Methodology National Institute for Physiological Sciences Department of Bio-Environmental Science Center for Experimental Animals Institute for Molecular Science Center for Radioisotope Facilities Section of Coordinator for Animal Experimentation
