

Assistant Professor in the Section of Mammalian Transgenesis, Center for Genetic Analysis of Behavior, National Institute for Physiological Sciences (NIPS), National Institutes of Natural Sciences (NINS), Okazaki, Japan

1. Job title

Assistant Professor in the Section of Mammalian Transgenesis,
Center for Genetic Analysis of Behavior (One Position)

2. Research field

Technical service for the foreign gene introduction and the endogenous gene modification in small rodents is routinely expected to perform, according to the client requests. As research activities, we have a special interest in the regeneration of functional organs with a 3D structure using organ-deficient rat individuals, offering a model system for regenerative medicine in humans. We expect the applicants who are skillful in the embryo manipulations not only in rodents (mouse and rat) but also in domestic species (rabbit, pig and cattle), as well as in the maintenance and differentiation induction of pluripotent stem cells. Successful applicant is also responsible for education of graduate students as a faculty of SOKENDAI (The Graduate University for Advanced Studies).

3. Qualifications

Applicants should possess a PhD degree (or have equivalent scientific achievements).

4. Appointment period

Five years. Reappointment may be possible.

5. Application and required documents;

1. Recommendation letter(s) (in the accompanied form)
 2. Complete CV (in the accompanied form)
 3. List of publications (using the Separate Sheet No. 1)
 4. Two sets of reprints of main publications; 3 papers or less
 5. Research statement (including research interest and future plans; about 600 words)
 6. Other information (such as those listed in Separate Sheet No. 2)
- * Please note that documents will not be returned to applicants.

6. Deadline

December 22nd, 2016

7. Start of Employment

April 1st, 2017

8. Gender Equality

NIPS, NINS is promoting a Gender Equality Program by taking various measures to create a workspace where both men and women are able to give full rein to their talents and abilities (http://www.nins.jp/english/gender_equality/index.php).
