

Course title	Physiological Science Seminar	
Term	通年(前期開始) Whole Year	
Credit(s)	1	
The main day		The main period
Program/Department	48 Physiological Sciences	
Lecturers	The grades will be determined by Vice-Chair.	
成績評価区分 Grading Scale	A, B, C, Dの4段階評価 Four-grade evaluation	
レベル Level	Level 4	
力量 Competence	国際力 Global competence	

Instructor
Full name
* YOSHIMURA YUMIKO

Outline	Students attend seminars, symposiums, and research meetings at the National Institute for Physiological Sciences and learn recent progress and cutting-edge techniques in the life science field.
Learning objectives	Students acquire new knowledge in the life science field and develop the ability to understand and discuss lectures at scientific meetings.
Grading policy	<p>1) Students must attend at least 12 hours of research meetings, symposia, and seminars held at the National Institute for Physiological Sciences.</p> <p>2) Students must submit a participation record (including the name of the seminar, date and time, and signature of the person at the National Institute for Physiological Sciences in charge of the seminar), and a report on the content of one of the seminars attended.</p> <p>The grade will be evaluated on the report based on a minimum of 12 hours of attendance. The participation record list form should be requested after enrolling the course.</p> <p>The list of participation records and the report must be submitted to the following address by the last day of the month before the end of the semester.</p> <p>Please request the participation record form to the following email address after enrolling the course.</p> <p>Please submit the participation record list and report to the following email address by the last day of the month before the end of the semester.</p> <p>Contact: sokendai-adm@nips.ac.jp</p>
Lecture Plan	NIPS Research Meetings and symposiums are conducted according to the annual schedule of National Institute for Physiological Sciences. Seminars are conducted as needed.
Location	Seminar rooms in the national Institute for physiological Sciences or in Okazaki Conference Center
Language	English or Japanese
Textbooks and references	None
Notes for students of other programs	Students in courses other than the Physiological Sciences course should contact the following email address before enrolling in the course. sokendai-adm@nips.ac.jp
Others	The "I-V" in the course code corresponds to the academic year and "A or B" corresponds to the semester.

	For example, " Physiological Science Progress I A" should be taken in the first semester of the first year.
