Project Assistant Professor in the Division of Membrane Physiology, Department of Molecular and Cellular Physiology, National Institute for Physiological Sciences (NIPS), National Institutes of Natural Sciences (NINS), Okazaki, Japan

1. Job title
Project Assistant Professor in the Division of Membrane Physiology, Department of Molecular and Cellular Physiology (One Position)

2. Research field
The research focus in the Division of Membrane Physiology (Fukata lab) is to elucidate the molecular mechanism for synaptic transmission and neurological disorders. We call for applicants who actively promote the above researches by combined approaches of biochemistry, molecular and cell biology, mouse genetics, and electrophysiology.

3. Qualifications
Applicants should have a PhD degree (or equivalent scientific achievements)

4. Application period:
Contract is renewed every year. The longest appointment period is five years.

5. Application and required documents:
1) Complete CV (in the accompanied form)
2) List of publications
3) Research statement (including research interest and future plans: less than 600 words)
4) Two sets of reprints of main publications: three and less
5) One and more recommendation letter(s) and one and more reference(s) (in the accompanied form)

6. Deadline
December 21, 2018

7. Start of Employment
April 1, 2019 (negotiable)
8. Others
1) Gender Equality
a) NIPS, NINS is promoting a Gender Equality Program by taking various measures to create a workspace where both men and women are able to give full rein to their talents and abilities.

b) NIPS gives hiring priority to women when they are recognized as equivalent during performance evaluations.

c) NIPS considers for periods when researchers did not perform research due to leave for maternity, elderly and child care if applicants specify the period of them in their CV.

2) Handling Personal Data
All the private data in application for employment is handled in strict confidentiality, and such data is not utilized for any other purpose. Application documents will not be returned.

9. Contact details
Please send the application by mail to the address below:
The Personnel section, Okazaki Administration Center, NINS
Nishigonaka 38, Myodaiji, Okazaki, Aichi 444-8585, JAPAN
(Please indicate “This mail contains the application form for the Project Assistant Professor Position in the Division of Membrane Physiology, National Institute for Physiological Sciences” on the envelope.)

Further enquiries should be made to:
